Get your Segway Smile

Join us for a magical journey on-board an eco-friendly Segway Personal Transporter (PT). Glide with us along a woodland trail in Big Wood in Runcorn, and become at-one with both nature and technology.

As a Segway Authorised Tour operator, you can be certain that our professional and friendly guides will provide all of the training you need to safely operate a Segway PT. People of all ages* and a wide range of abilities find them easy to operate - you will only find it difficult to stop smiling!

Tour prices start from as little as £15pp (including training). Tours run at various times throughout the year so check our website for the latest information.

Make a booking

The best way to book is via our on-line booking system. It shows the latest prices and live availability 24 hours a day, 7 days a week. You can also book over the phone. All bookings must be made in advance.

Gift vouchers

Why not buy a Segway Smiles gift voucher for a loved one or friend? They can be redeemed any time within 12 months and can be purchased online 24 hours a day, 7 days a week. They are delivered via email within minutes making them ideal for even last minute gifts.

*Rider requirements

Minimum age 14 years. Riders under the age of 18 must be accompanied by an adult rider. Riders must wear a helmet (provided) and weigh between 45KG (7 stone) and 117KG (18 stone). Riders must be able to stand, step on to and off the platform unaided.

Full terms and conditions can be found on our website.

At roundabout, take 1st exit onto Tudor Road
Continue ahead until you see a Segway Smiles sign
Segway Smiles signs will direct you to the car park

Interactive maps can be found on our website.

Segway Smiles is a Segway Authorised Dealer

We stock the full range of Segway PTs and accessories. Create your own Segway Smiles whenever you want...

Segway i2

Designed for easy operation over normal terrain. The i2 is available in gloss white, anodized black and metallic sage. It has a top speed of 12.5MPH and a range of up to 24 miles. An ideal general purpose model, useful for commuting and able to fit through most doorways.

Segway x2

This is Segway's off-road model. With its ATV-style tyres and a wider track, the x2 provides more stability on rough surfaces and offers greater ground clearance than the i2 - yet still manages to offer a very comfortable ride. It has a top speed of 12.5MPH and a range of 10-12 miles.

Segway x2 Golf

Using special low-pressure turf tyres, the x2 Golf barely disturbs the ground beneath it. This makes it very "fairway friendly". It is specially equipped for golfers, including a removable golf caddy (bag & clubs not included). It has a top speed of 12.5MPH and a range of 10-12 miles.

Accessories: Personalise your machine with accessories designed for convenience, comfort, and style.
